P.C.

1. The learned counsel appearing for respondent No.4 has pointed out to us that both the appeals have been disposed of by the Division Bench of this Court by its order dated 11-09-2002. He placed on record a copy of the judgment delivered in the above appeals. It is

therefore, clear that the Division Bench of this Court has disposed of both the above appeals and certain directions were given to the Court Receiver and the impugned orders were also set aside by the Division Bench. In spite of this, the Registry has placed both these appeals for final hearing today. Registry is directed to give appropriate explanation as to why, without application of mind and without any verification, the above appeals are placed in the final hearing board. Appropriate explanation shall be given by the next date. To be notified below the admission board, on 21-09-2010.

2. It is also pointed out that the notice of motions including Notice of Motion No.1073 of 2004 as well as other chamber summons have also been disposed of subsequently, by an order dated 25-07-2008. However, the above notice of motion and chamber summons are not placed before us in the final hearing board and therefore, the Registry may accordingly submit appropriate explanation only in respect of above appeals which are placed on today's board.
